It is declared that the following essential requirements of the Machinery Directive 2006/42/EC have been fulfilled.

It is also declared that the relevant technical documentation has been compiled in accordance with part B of Annex VII.

## It is expressly declared that the partly completed machinery fulfils all relevant provisions of the following EU Directives.

2004/108/EG (Electromagnetic compatibility) Directive 2004/108/EC of the European Parliament and of the Council of

15 December 2004 on the approximation of the laws of the Member States relating to electromagnetic

compatibility and repealing Directive 89/336/EEC

2006/95/EG (Voltage limits) Directive of the european Parliament and of the council of 12 December 2006 on the

harmonisation of the laws of Member States relating to electrical equipment designed for use within

certain voltage limits (codified version)

2006/42/EC Directive 2006/42/EC of the European Parliament and of the Council of 17 May 2006 on machinery, and

amending Directive 95/16/EC (recast) (1)

## Reference to the harmonised standards used, as referred to in Article 7 (2)

EN ISO 12100:2010-11 Safety of machinery - General principles for design - Risk assessment and risk reduction (ISO

12100:2010)

The manufacturer or his authorised representative undertake to transmit, in response to a reasoned request by the national authorities, relevant information on the partly completed machinery. This transmission takes place

by post

This does not affect the intellectual property rights!

Important note! The partly completed machinery must not be put into service until the final machinery into which it is to be incorporated has been declared in conformity with the provisions of this Directive, where appropriate.
